

Claustral Week at the Priory – time to spend with each other and enjoy input; this year input from Paul & Jackie Reily from Scargill Movement, (www.scargillmovement.org), who led us in meditation and Bible Study on Bread for the Journey & The Presence of God. Good to develop our links with a different way of living Community.

The week culminated with a mini pilgrimage to Lastingham . We were welcomed by Rev. David Purdy , who gave us a brief history of the Church and connections with St Hilda followed by Eucharist in the Crypt. We were thrilled to be joined by the present bishop of Peru, Bp Bill, who is to be the new incumbent from May and his wife Judith. Hot coffee & tea served by Janet, the churchwarden, was greatly appreciated after the chill of the Crypt.

Conducted tour of the refurbishment of the Vicarage, which will include facilities for Pilgrims and Quiet Days, was an unexpected bonus. Recommended for individuals &/or Groups.
